

Do you have a **joint** or **muscle problem**?

Please use the FREE getUBetter app designed and written with your local clinicians in North East London.

It offers **local tips**, **advice**, and **exercises** tailored to you and your stage of recovery.

The app covers back, neck, shoulder, elbow, hip, leg, knee, and ankle pain.

BHR

Self-care at home, work, and on the move.

Why is self-care important?

Most musculoskeletal (MSK) injuries and conditions can be treated at home, and get better without the need for a specialist appointment. getUBetter gives you the knowledge, skills, and confidence to improve your MSK health and lifestyle.

Who is getUBetter for?

Anyone 18 or over who needs help with a joint or muscle problem.

What will I get?

- ✓ Instant and 24/7 access to a personalised programme
- ✓ Easy-to-follow self-progression exercises
- ✓ Daily **tips** and **local guidance** from day one
- ✓ Advice on where to seek help when needed
- ✓ Access to **local treatments** and **services**

What are the next steps?

- Scan the QR code to access your local health service. Select your area, GP practice, and condition. Enter your email.
- Download the getUBetter app and sign up using the same email address.
- Follow the instructions in the app to access your local support pathway.
- Log in and follow your programme regularly to improve your MSK health.
